To Whom It May Concern:

I write this letter of recommendation for Ms. Grace Fraga in consideration of a position as a future television host or reporter. I came to know Ms. Fraga when she appeared on my show as a guest for a show we produced back in August of 2008. It was then that I immediately recognized that Ms. Fraga is a very gifted and talented television personality and comedian.

During our show in August of 2008, Ms. Fraga was extremely good on camera, she added great insight for the discussion, and she brought amazing humor to an intense political debate. Due to the amazing job that Grace did on my show as a guest in August, I asked her to serve as a co-host/reporter for a live show that we did in connection with MTV at the California State University of San Bernardino in front of 200 plus students in October of 2008. At the show, Grace not only asked great questions and interacted with the audience brilliantly, but she was quick on her feet and was able to add her special comedic flavor to the show that was enjoyable for everyone who attended the event.

Based on these two amazing experiences with Grace, I truly believe she would be a great host or reporter for any show that would be willing to use her exceptional skills as a television personality, reporter, and comedian. I personally recommend using Grace for any show that fits her skills and talents as a host or reporter.

Sincerely,
