

Business and Professional Women/OK

November 5, 2008

WOW! Grace was so much fun to have at our Foundation Gala on November 1, 2008 in Oklahoma City. She was so very good at reading the audience and adjusting her material to fit, it was wonderfully refreshing and very much appreciated. She was very funny and her interaction with the crowd was priceless. We would certainly recommend Grace as a performer for anyone who would like to have a lot of fun at their event.

With Sincerest Appreciation
